1. INTRODUCTION

Our Company specializes in the design, manufacture and export of baby and kid's clothes made in 100% Peruvian Pima Cotton, since 2006.

We manufacture for well-known brands worldwide.

We develop our own fabrics to ensure 100% Peruvian Pima Cotton Fabric Quality.

We meet all Consumer Product Safety requirements established by the USA, for which we have tests made in accredited Laboratories approved by the CPSC law. We can send all tests to your email if you want so.

2. FABRICS

Our Pima Cotton Fabrics are divided in 4 main groups:

2.1 Interlock Pima Fabric:

2.2 Special Knit Pima Fabric

2.3 Quilted Pima Fabric

2.4 Poplin Pima Fabric

2.1 Interlock Pima Fabric:

ADDITIONAL COLOURS AVAILABLE ALWAYS IN STOCK INTERLOCK PIMA:

2.2 Special Knitted Pima Fabric

2.3 Quilted Pima Fabric

2.4 Poplin Pima Fabric

We only carry solid color poplins in stock. If you want a specific print in stock we can develop the print. The minimum quantity order to print poplin is 100 meters

3. **CUSTOM DYED COLOUR FABRICS AND PRINTED FABRICS:**

We can develop your custom dyed colors in any of the type of fabrics (interlock, special knit , quilted or poplin). The minimum order quantity to dye a color is 6 rolls. Each roll contains 70 meters, so 6 rolls equals a total of 420 meters.

We can develop your custom printed designs in interlock or poplin fabrics. The minimum quantity order we can print is 100 meters.

3.1 **Dyed Coloured Fabric Procedure:**

- Submit Color in TPX Textile code or send fabric sample color by dhl to our company's address.
- Sample takes 1 month in laboratory. Once ready we send 2 options of fabric colored dyed sample for customer's approval.
- Once approved sample we proceed to manufacture 6 rolls of fabric.
- Production of rolls takes 1 month.

3.2 Printed Development Procedure:

- Send by email Printed Design in Illustrator File, Corel Draw or PDF vector mode.
- Send TPX color code reference (Pantone color codes).
- Each printed Sample costs US\$150. Payment is required to proceed with printed sample.
- We develop printed sample in a piece of Fabric: 30cm x 42cms (12 inches x 17 inches).
- Allow 3 weeks for printed Sample.
- Once Printed Sample is ready, we send pictures and videos of the printed fabric for customer's approval.
- Once Printed Sample approved we proceed to manufacture printed fabric.
- Please consider that to proceed to print the fabric, there is a fixed cost of US\$80 per color. Therefore if your print has 4 colors, you need to consider $US\$80 \times 4 \text{ colors} = US\320 as a fixed cost to proceed with the print of the fabric.
